

## Your Cabal:

By default there are about 5 in the Cabal, you don't control them and they don't control you. You're pretty close in your outlooks on the world, but not everything lines up completely. This is a small cabal, with weak magic.

Pick up to two of these:

- You actually are in charge, or at least you founded it. Add the tag +loyal
- There's more than just a couple of you, maybe 10 or more. Medium cabal.
- You're part of a larger system, you're just one node in the leylines. Add the tag +support
- Your cabal is strong of will. Drop weak magic
- Your cabal is very close. Add the tag +family

And pick one of these:

- Your cabal doesn't keep a super low profile. Vulnerable: Target
- Your cabal owes something to someone, money, allegiance, an artifact, or the like. Vulnerable: Obligation
- Your cabal is anonymous and guarded about their identities. Vulnerable: Infiltration
