- Pick a playbook move from another playbook
- Pick a playbook move from another playbook

- Gain +1 Wits (max Wits +3)
- Get an Advanced Hedge Mage Move

The Hedge Mage's Moves

- **Exactly When I Mean To:** (*You have this move by default*) At the **beginning of the session**, roll+Grace. On a 10+, hold 2. On a 7-9, hold 1. At any time, either you or the GM can spend your hold to have you arrive in a scene, with the proper tools and knowledge, with or without any clear explanation why. Take +1 forward when you do so. On a miss, the GM holds 1, and can spend it to have you arrive, but somehow pinned, caught or trapped
- **Call Through Shadow:** When you **call a mundane or common object to yourself**, roll +Will. On a hit, you have successfully summoned it to you. On a 10+ you're in the clear. On a 7-9 choose 1:
 - It comes out of a heated nearby situation
 - It comes with strings attached
 - It can be traced back to you
- **Scrying Bowl:** When you have an object related to a person and use it to **gaze upon their current situation**, roll +Wits. On a 10+ all 3, on a 7-9 choose 1:
 - They don't know they're being watched
 - You can identify where they are
 - You can discern what they are doing
- **If You Ask Me:** When another character comes to you for advice and you **tell them honestly what you think the best course of action is**, they take +1 ongoing while following your advice, and you mark experience.
- **Magical Experimentation:** When you attempt to **push your magic past its current boundaries** in a controlled setting, roll +Body. On a 10+ all 3, on a 7-9 choose 1:
 - It works pretty much as intended
 - It doesn't cause a scene, draw extra attention, or harm you
 - It was controlled enough that you can repeat it
