o Get an Advanced Hedge Mage Move

Ţh	e Hedge Mage's Moves
	Exactly When I Mean To: (You have this move by default) At the beginning of the session, roll+Grace. On a 10+, hold 2. On a 7–9, hold 1. At any time, either you or the GM can spend your hold to have you arrive in a scene, with the proper tools and knowledge, with or without any clear explanation why. Take +1 forward when you do so. On a miss, the GM holds 1, and can spend it to have you arrive, but somehow pinned, caught or trapped
	Call Through Shadow: When you call a mundane or common object to yourself, roll +Will. On a hit, you have successfully summoned it to you. On a 10+ you're in the clear. On a 7-9 choose 1: — It comes out of an intense nearby situation — It comes with strings attached
	 It can be traced back to you
	 Scrying Bowl: When you have an object related to a person and use it to gaze upon their current situation, roll +Wits. On a 10+ all 3, on a 7-9 choose 1: They don't know they're being watched You can identify where they are You can discern what they are doing
	If You Ask Me: When you offer an alternative perspective on someone's Paradigm, roll +Grace. On a hit, they gain experience. On a 10+, give them a new Aligned related to what you told them until the end of session.
	Magical Experimentation: When you collaborate with other Mages to push your magic past its current boundaries in a controlled setting, roll +Body. On a 10+ all 3, on a 7-9 choose 1:
	 It works pretty much as intended It doesn't cause a scene, draw extra attention, or harm you It was controlled enough that you can repeat it
	This One Is Mine: When you call out another magical being, so long as your companions don't interfere, others will give you enough space to finish it, come what may.
