The Hedge Mage's Moves ■ Exactly When I Mean To: (You have this move by default) At the **beginning of the session**, roll+Grace. On a 10+, hold 2. On a 7-9, hold 1. At any time, either you or the MC can spend your hold to have you arrive in a scene, with the proper tools and knowledge, with or without any clear explanation why. Take +1 forward when you do so. On a miss, the MC holds 1, and can spend it to have you arrive, but somehow pinned, caught or trapped ☐ Call Through Shadow: When you call a mundane or common object to yourself, roll +Will. On a hit, you have successfully summoned it to you. On a 10+ you're in the clear. On a 7-9 choose 1: It comes out of an intense nearby situation It comes with strings attached It can be traced back to you ☐ **Scrying Bowl:** When you have an object related to a person and use it to gaze upon their current situation, roll +Wits. On a 10+ all 3, on a 7-9 choose 1: - They don't know they're being watched - You can identify where they are - You can discern what they are doing ☐ If You Ask Me: When you offer an alternative perspective on someone's Paradigm, roll +Grace. On a hit, they gain experience. On a 10+, give them a new Aligned related to what you told them until the end of session. ☐ Magical Experimentation: When you collaborate with other Mages to push your magic past its current boundaries in a controlled setting, roll +Body. On a 10+ all 3, on a 7-9 choose 1: - It works pretty much as intended - It doesn't cause a scene, draw extra attention, or harm you - It was controlled enough that you can repeat it ☐ This One Is Mine: When you call out another magical being, so long as your companions don't interfere, others will give you enough space to finish it, come what may.

■ When you and another character exchange a moment of humanity, they gain one hold, which they can spend to cause you to appear as if by Exactly When I Mean To.
